

FTM-700: 72 Port Rack Mount Termination Patch Panel

Description:

The FTM-700 is a versatile rack mount panel designed for applications requiring termination of 72 fiber optic cables. The unit has reversible mounting brackets for 19" or 23" rack mount applications. Removable front and rear panels allow easy access to the splice trays. A fiber management plate with fiber management clips that protect and route fibers make this unit ideal for a variety of high density fiber network applications. Cable retaining hardware, tie wraps, and mounting screws are provided with each unit.

Features:

- 4U High
- Reversible 19" or 23" Rack Mount
- Terminate up to 72 Fibers
- Available in Beige or Black
- "Stub" Cable Option
- Protective Drop Cover
