

HDST-96 : 96 Fiber High Density Rack Mount Splice & Patch Panel

Description:

The HDST-96, high-density rack mount panel is a comprehensive solution for situations where outside plant or riser-rated cables are interconnected in a fiber network. Utilizing eight (8) LC duplex adapter modules, this unit is capable of accepting up to 96 fibers. This panel maximizes space in a fiber network by doubling the number of terminated fibers. Order this unit pre-assembled and ready for installation.

Features:

- 4U High
- Reversible 19" or 23" Rack Mount
- Splice & Terminate up to 96 Fibers
- Duplex LC Connectors
- Easy Front & Rear Access
- Protective Drop Cover

Specifications:

Part Number	#151048-BLK
